## GARDEN GATHERING IS HELD ON T. D. WITHERLEY ESTATE IN MISSION

### COUNTY OFFICES ARE CONTESTED BY POLITICIANS

#### Dozen Men Run for Office Of County Sheriff Against Driver

All hats were tossed into the political ring Saturday, as that was the deadline for filing nomination papers for the August primary election. It is reported that every county official would have opposition.

Samuel A. Gerhart seeks to qualify against Louis J. Kennedy as county assessor. Joel H. Schaffer proposes to run against Edward E. Planer, tax collector. Paul Pause is seeking the office of county clerk, for which George E. Gross, the incumbent is also a candidate. N. D. McIntyre is opposing Frank Garrison for auditor.

Papers were also filed by Robert G. Libby, Berkeley merchant, for the office of county clerk. Attorney T. L. Christianson filed again for the office of district attorney against Earl Warren.

There are a dozen or more competing for the office of county sheriff. Among the prominent contenders are M. B. Driver, incumbent, Donald Marshall, former Oakland police chief, and Joe Soares, of Hayward, a former deputy sheriff. Other candidates opposed are Coroner Grant D. Miller, County Surveyor George Posey and Supervisors Hamilton and Heyer.

Frank Colbourn, Oakland commissioner, and Frank M. Agden, assistant district attorney, are seeking the vacancy of Superior Judge caused by the death of Judge Engs. Ogden has many friends in this township, as he spent many of his vacations in this vicinity on the Ogden estate.

### MIKE HADAD HAS COMPULSORY SALE AT NILES STORE

Mike Hadad has announced that his store in Niles is to be closed all day Monday making preparations for his compulsory sale which will start Tuesday morning at 9 a. m. At this time the popular merchant will throw \$25,000 of first class merchandise to the mercies of the people. He expects that half of the stock will be sold, as he has been forced to unload his overstocked store. All prices are to be slashed to such an extent that the people of Washington township will save much money on all purchases.

Five thousand double page circulars printed by the Township Register were mailed to the residents of the township this week. Never before has Hadad conducted such a mammoth sale at such price reductions.

Corona-Mava Ice Cream plant opened for business in new building at 603 West Sixth street.

### Speeches About Flowers Precede Inspection And Pilgrimage

The Country Club held its first annual picnic and garden lovers' gathering in Mission San Jose, Monday afternoon. Through the courtesy of T. D. Witherley, the beautiful grounds of his estate were used for this gathering which attracted over seventy-five people from Eden and Washington townships.

At 12:30 a picnic lunch was enjoyed. Ice cream, coffee and goodies were served with the basket lunches. Following the lunch there was a program, and the Tinega Camp Fire girls enjoyed a swim in the Witherley pool.

Mrs. James R. Whipple was the chairman of the day and was in charge of the entire program. Mrs. W. D. Patterson, president of the Country Garden Club, greeted the guests and gave the speech of welcome, after which she turned the meeting over to Mrs. Whipple.

Horace Keesling, president of the Flower Lovers' Club of San Jose, gave an encouraging talk on "From Small Beginnings Great Oaks Grow." J. A. McDonald, of the California Nursery Company, chose as his interesting topic, "Planting to a Plan in Small Gardens."

C. Breuner, representing the San Leandro Flower Show, gave a few words on highway planting. Charles G. Davis, manager of the San Leandro Flower festival, explained the coming event and spoke on the future possibilities of local flower growing in a commercial way.

Mrs. Florence Eichwaldt and Mrs. J. H. Clapp, past president and vice-president respectively of the Hayward Garden Club, responded in behalf of the large group attending the affair from Hayward.

Mrs. J. E. Thane delivered a historical speech on "The Days of the Padres in Mission San Jose." This town was selected for the first annual gathering because the oldest gardens in the county were planted there. Mrs. Alma Inman Parker spoke in behalf of the Hayward Forum which is developing public spirit in Hayward. She is the founder of this progressive club.

Following the speeches, the party drove up to Inspiration Point on the Witherley estate where the members could view Mt. Tamalpais, the East Bay cities, and San Jose. Following this a pilgrimage was made to a shrine in the gardens of the Dominican sisters, which is the only garden of its kind on the coast. The olive trees and others were planted there over one hundred years ago by the padres.

#### ALUM ROCK PICNIC

Mrs. R. F. Rose, of Decoto, and Mrs. William Cull, of the Nursery road, recently gave a picnic at Alum Rock Park in honor of Mr. Rose's mother, Mrs. R. Rose, who is visiting here. Mrs. Rose is from Massachusetts. Twelve were present at the picnic.

## WESTERN PACIFIC PUSH PLANS FOR NILES-S. F. LINK

### Railroad May Build Bay Bridge Costing More Than \$4,000,000

Negotiations for rights of way which would give the Great Northern-Western Pacific interests a direct land rail line into San Francisco via Niles and Redwood City, were being pressed this week by company officials.

Although this 39-mile line between Niles and San Francisco is not included in the Interstate Commerce commission's decision favoring the plans for the Hill line's vast California expansion program, the matter is now pending under another application and may be approved later.

Spurred by the commission's favorable action to new hope, that body will soon sanction the proposed link across the bay near Dumbarton bridge. J. W. Williams, chief engineer of the Western Pacific, has begun negotiations with San Francisco officials to secure a right of way across Mills Field municipal airport.

The Western Pacific fight to bring its western transcontinental railroad into San Francisco via Niles and Redwood City, has been subject to many legal vicissitudes which were printed in the Town. Ship Register of June 12.

Two years ago, the Western Pacific instituted the first skirmish when it filed, as a part of its expansion program, plans with the commerce commission for permission to build 39 miles of railroad from Niles to San Francisco.

At first it contemplated joint use of the Southern Pacific Dumbarton bridge, which under the permit of construction originally granted provided for such a plan. Southern Pacific objected on the grounds that increasing traffic on its own line made joint use of the track impracticable.

The Interstate Commerce commission refused to grant the application at that time, and last October Western Pacific renewed its efforts to have another hearing of the matter.

#### Will Build Bridge

In the meantime Western Pacific engineers have selected a location just north of the present Dumbarton highway bridge as a suitable bridge site across the San Francisco bay. If the plans are successful the railroad will construct a bridge to cost about \$4,000,000 at the site selected by the engineers.

## NILES CHAMBER TO ADJOURN NEXT WEEK FOR SUMMER

T. Cordrey, of the Hayward Farm Bureau, and R. R. Greenwood, representing the Western Sulphur Company of San Francisco, were guests of Niles Chamber of Commerce at the weekly meeting, Tuesday noon.

The civic body voted to not participate in the coming San Leandro Flower festival, but to be represented by a large body of local citizens. As there are no roses in season here in September, they would have to be purchased from a florist making the cost too exorbitant and non-representative of this district.

Next week's meeting is to be the last one before the summer's adjournment, said President L. S. Smith.

## Y. L. I. Has Picnic In Niles Canyon Wednesday

Guadalupe parlor of the Young Ladies' Institute had a weiner bake at Lakeside park in Niles canyon last night. Over forty members were present. A picnic supper, singing and music were enjoyed by the members of the lodge.

Mrs. Marguerite Crane was chairman of the event.

## AUTO TAKES A RIDE ACROSS STREET AND WALK

R. A. PORTILLO, of Centerville, is what anyone would call an honest man!

Sunday, while cranking his automobile near the Southern Pacific warehouse, it backed itself across the highway refusing to stop until it had smashed into the side of Murphy & Briscoe's new store front. The car went wild because it was in reverse while the Mexican was cranking it. It is a wonder that no one was injured when the car shot across the highway and sidewalk without its driver.

This was the second time the newly installed plate glass show windows have been broken before the job was completed.

The honest part of the story is that Portillo told Murphy he would pay for the damage, although no one knew who or what caused the broken plate glass front.

## JOINT INSTALLATION OF ODD FELLOWS IN ALVARADO

### Tony Mezza Is Re-elected Noble Grand of Niles Lodge

A joint installation of the Niles and Crusade lodges of the Independent Order of Odd Fellows is to be held at Alvarado, Tuesday evening. It is reported that a banquet will precede the installation.

District Deputy Officer Sam Metzger, of Irvington lodge, will perform his first installation service at this meeting.

Recently elected officers of the Niles lodge are:

Noble grand, Tony Mezza; vice grand, Dr. R. H. Bennett; secretary, P. A. Ellis; treasurer, H. L. Scott.

Because of the splendid work performed by Noble Grand Mezza he was elected by his fellow members for another term. Dr. Bennett will hold office here for the first time.

#### SUNOL PICNIC

Mr. and Mrs. Al Corey, Mr. and Mrs. J. R. Fontes, Mr. and Mrs. Arthur Duarte and son, and Mr. and Mrs. Frank Duarte had a picnic at the Sunol Water Temple grounds Sunday.

## Government Chief Gives Food And Drug Talks Over Radio

As a means of securing closer cooperation between the fruit growers, housewives and the United States food and drug administration department the Agricultural Department at Washington, D. C., has ordered Wendell Vincent, chief of the western division at San Francisco, to deliver a series of radio talks of special interest to the general producers and consumers of foods and drugs.

Incidentally, these lectures will be given by the son of the secretary-manager of the Pacific Mushroom Company, of Niles. For several weeks these talks have been broadcast over the Pacific coast states and the growing interest and response from the public has caused the department to more generally announce the series for the large

## MAN DEMANDS DEED IS ARRESTED AND SENT TO HOSPITAL

### Joseph Soito Fears That Renters Will Take His Property

Joseph Soito, 50 year old man, living near Centerville, on the New ark highway, demanded the deed to the Bank of Haywards and received a free ride to an Oakland Emergency hospital, Saturday morning. He is to remain there pending observation for sanity.

Soito had been conferring with Attorneys F. I. Lemos and C. W. White in their offices above the bank regarding his title to eleven acres of land which he is said to own near Centerville. He seemed to be under the delusion that some one was trying to take it away from him.

Failing to persuade him that his affairs were in due order, Lemos walked downstairs into the bank lobby, followed by Soito. Lemos was unsuccessful in diverting him from the pursuit.

At last Soito stopped at the window of the savings department and started an incoherent conversation with the teller, Manuel Rodgers. The teller could hardly believe his ears when he heard Soito demand a deed to the bank, reiterating a demand made previously to Mr. Lemos.

The police were called and took Soito into custody after a little scuffling. After the arrest, they rushed him to the Highland hospital, where they arrived after many efforts by the unfortunate man to free himself.

Soito owns eleven acres of land near Centerville, which he rents. As nearly as could be learned from his incoherent account, he feared that the renters were trying to take away the deed to this property from him.

#### N. D. G. W. DELEGATE

Mrs. William Moore has returned from the Native Daughters of the Golden West State convention held in Oakland last week. She was a delegate from the Niles parlor. The report of the state convention is to be given by her at the next meeting, July 1, in the Odd Fellows hall.

## EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

### IT WILL BE MURDER

A few weeks ago we called the attention of the Southern Pacific railroad officials to a dangerous crossing west of Sunol. The prediction was made that it was but a question of time before some one would be killed at this point, or seriously injured, and in that case the railroad could not escape responsibility. Two weeks ago that very thing nearly happened. We are thankful that a terrible accident was avoided by a hair's breath.

A man approached the crossing from the east, and having his vision completely obscured by a tier of railroad ties reaching twenty feet in the air, he found himself almost on the tracks and a train upon him. He jumped for his life. Luckily he was quick in his movements and alone. His car was smashed to pieces.

The story might have been different; and had that been the case, after our warning, some high official would have had his future peace of mind disturbed by an accusing finger, and his sleep broken by a guilty conscience. Again we call on the Southern Pacific to clean up the right-of-way at the Sunol crossing.

Just why that particular point was selected to construct a storage depot for ties, when the company has miles of right-of-way on either side that might be used, offering no danger to automobile traffic, is beyond the understanding of a layman.

The Southern Pacific is a public service corporation—it is subject to discipline by the Railroad Commission—and it is a short-sighted policy of the officials to ignore a protest that is reasonable and just. A fatal accident at this crossing, the Register repeats, will be a plain case of murder.

### THEY MAKE A PILGRIMAGE TO BYRON.

They say that a man who, even though he but makes a better mousetrap than anyone else, though he live in a forest, the world will beat a trail to his door.

At the little town of Byron, in eastern Contra Costa county, that very thing has happened. It is the home of Harry Hammond, publisher of the Byron Times. A long time ago Hammond got tired of working on a big city paper, just a salaried man, subject, always, to the orders of his superiors. He was past middle age when he threw off the yoke of the city room of one of San Francisco's greatest journals and went out to Byron and started a paper on a shoe-string. Now Hammond had done, at different times, considerable special edition work, for his metropolitan connection, and after half-starving to death with his new journalistic infant, he decided to attempt a rehabilitation of his bank balance by issuing a special edition embracing all of Contra Costa county. The first issue surpassed his expectations, but, failing to charge enough for his space, he no more than broke even. So he was not better off than before. But he hammered away, and the Times gradually made headway. After two years he tried another special edition, this time with better financial success.

So since that time every two years Publisher Hammond has been issuing, in connection with his Times, a magazine supplement that has grown to take in several counties, and in typographical excellence and literary merit has attracted attention as far as New York city. Hammond's success is a marvel to publishers in every state in the Union. No other special edition quite matches it. The wonder and the inexplainable thing about this accomplishment is that the publication is issued from a town with a population of less than a thousand.

And a trail has been beaten to the door of the Byron Times, and publishers everywhere in America make a pilgrimage to the shrine of Hammond to learn just how the thing is done.

### CONVENTION TIME.

Summer time is convention time all over the United States. Home town people go to these conclaves to get new thoughts, inspirations, and plans which they bring back to their fellow members. Delegates are well paid for their time and trouble.

### Hayward Auto Top Man Is Married in Reno, Nev.

Fred Raab, popular auto top and upholsterer man of Hayward, was married to Mrs. Loretta Rudy, of Oakland, last week. He and Mrs. Rudy were driven to Reno by Mr. Raab's son, and were married there by Father Donahue in the Catholic church.

Later they went to Lake Tahoe and Strawberry Lake by way of Kit Carson pass for their honeymoon. The couple will be at their new home on B. and Soto streets soon.

Mr. Raab thinks it is better to be married in Reno than divorced there. He has taken the precaution of visiting that famous city first.

### LEGION INITIATION IN HALL OPEN TO PUBLIC

#### Post Elects Delegates And Alternates To State Convention

Tonight, the "40 and 8" degree team will visit Washington township post and will initiate a class of candidates. An entertaining program will be provided.

At Tuesday's meeting, the following were elected as delegates and alternates to represent the post at the next state convention, Sacramento August 18, 19, 20. The delegates chosen were Dr. H. E. Morrison, George L. Smith, Frank Vargas, J. E. Dutra; alternates, D. V. Carrithers, A. P. Peacock, Frank X. Veit and Walter Martenstein.

A large pre-convention gathering is planned for August 2nd, at Neptune Beach, Alameda, in which all northern California posts are expected to participate. Washington Township Post is planning to attend en-masse.

### CONGREGATIONAL SERVICE CLOSED UNTIL JULY 20TH

Reverend Elmer Brinkmeyer, pastor of the Niles Congregational church, and Mrs. Brinkmeyer left this week for a month's visit with relatives in Wichita, Kansas.

During their absence the church services are to be discontinued. Morning services are to resume at 11 a. m., July 20, it is reported.

The new playground, which was such a success, is to be closed also until the return of the Brinkmeyers. The reason given for this was that it had to be supervised if kept open.

### Three Babies Born At Local Maternity Home

Three June babies were born at the Silva's Maternity home last week, according to a report made by Mrs. Ernest Nagli.

A baby girl was born to Mrs. Manuel Andrade, of Decoto, last Tuesday morning. The infant weighed over eight pounds. Both the mother and child are doing well.

A seven and one-half-pound boy was born to Mrs. Lawrence Mohn, of Newark, last Thursday.

Mr. and Mrs. Joe Bettencourt, of Centerville, are the proud parents of a baby daughter born Saturday morning. The child weighed seven and one-half pounds when born.

### NILES LIBRARY HAS BOOKS FOR PARENTS USE

Mrs. Roland Bendel announces that the children's story hour at the Niles library has been discontinued until the school term begins in the fall. Attendance at the story hour has averaged about fifty children weekly, during the past year.

Mrs. Bendel also urges parents when planning their summer reading, not to overlook the fifteen books on training the child which will be on deposit at the Niles library throughout the summer. When school begins, Mrs. Bendel says that she must send these books on to Livermore. Some of them are:

Cultivating the child's appetite, Aldrich.

Your Growing Child, by Bruce. Training the Toddler, by Cleveland.

Growing Up, by De Schweinitz. Fathers and Sons, by Drury. On Being a Girl, by Gibson. The Drifting Hour, by Groves. Problems of Childhood, by Angelo Patri.

Parents on Probation, by Van Waters, a book which every mother and father would do well to read, said Mrs. Bendel.

As chairman of children's literature for the Parent-Teachers Association council, Mrs. Bendel is urging that these splendid books be placed in every Southern Alameda county branch library throughout the year.

## MEN INJURED IN CAR SMASH-UP ON DUBLIN HIGHWAY

**Traffic Officers Find 17  
Bottles of Home Brew  
In Automobile.**

As the result of an automobile accident on the Lincoln Highway between Santa Rita and Dublin early last Thursday morning, Ralph H. Mathis, 32; 758 Fortieth street, Oakland, was instantly killed. The driver of the wrecked automobile, who gave his name and address as Dudley L. Israel, 4116 Virginia avenue, Oakland, was arrested on a charge of driving while intoxicated. The complaint was sworn to by Constable Albert E. Vervais.

According to Vervais, who with Traffic Officer Joseph C. Macer, investigated the tragedy, the wrecked car contained seventeen bottles of home brew.

Israel was taken before the City Court of Pleasanton, where he was released on a \$1000 bail bond furnished by an Oakland bail broker. He was arraigned Tuesday morning before Judge W. T. Davis.

According to the story told by Israel, he and his companion motored to Tracy Wednesday to attend a wedding. They had not slept for a day and a night, and on the return trip, Israel explained, he found himself going to sleep. He awoke suddenly to find himself about to crash into the rear of a large oil truck. In an attempt to turn to one side he ran off the road into the fence.

Israel sustained several cuts and bruises about his head and face. A piece of the fence pierced the chest of his companion. The dead man was taken to the undertaking parlors in Pleasanton by Deputy Coroner Charles S. Graham.

Israel admitted having taken a few drinks before leaving Tracy, but maintained that he was not intoxicated at the time of the accident.

## REQUEST IS MADE FOR NATURAL GAS IN HAPPY VALLEY

**Club Also Takes Action  
To Secure Further  
Improvements**

Application has been made by residents of Happy Valley, through the Alisal Improvement Club, for natural gas in that district. While no definite word has been received by the organization it is believed that favorable action may be taken by the Pacific Gas & Electric company upon the application.

At the regular monthly meeting of the Club recently at the home of Mr. and Mrs. H. R. Chadbourne, this matter was taken up and plans made for presenting their application to the gas company.

Further discussion also was held on the highway project now before the club, that of having the Happy Valley road widened and improved. Because of the narrowness of the road several automobile accidents have occurred, and while no serious results have been reported, considerable damage has been done to cars.

## INCREASED PENSIONS FOR SPANISH WAR VETS

Clarifying certain phases of the Spanish American War Veterans' bill passed by Congress June 2, Congressman Carter, of California, issued a statement in that connection this week.

Foremost was his warning that the increases in pensions is not automatic and that veterans desiring pensions must file application with the Commissioner of Pensions, in Washington. He added that the application did not become effective until the application has been received by the commissioner.

To aid the veterans the California member is mailing detailed information to every camp commander in Alameda County.

## CLEANING ENGINE

Due to the danger from fire, the engine of your car should not be cleaned with kerosene while hot, nor without first disconnecting the battery terminal.

## CENTERVILLE CALENDAR

(The Township Register is anxious to be of real service to its subscribers in Centerville. We shall be glad to publish all announcements, reports, etc., sent in to us or given to our representatives.

July 21—Welfare Club No. 1, with Mrs. Garrett Norris.  
Aug. 25—Grammar School opens.

### CAR DAMAGED IN AUTO WRECK NEAR NEWARK SCHOOL

A badly wrecked Ford was being repaired in a Centerville garage this week, as a result of an accident on June 18.

While William Engell was driving the car, accompanied by Robert Grimmer and Elmo Grimmer, of Irvington, along the Newark highway following the grammar school graduation program, it was smashed on the side when another automobile hit it. The driver lost control hit it. The driver lost one of the towering eucalyptus trees along the road. Wallace Pond, of Irvington, is the owner of the damaged car.

Robert Engell was forced to have a physician take three stitches in his hip as a result of the accident. The other boys were only scratched and bruised, because of the unshatterable windshield with which the car was equipped.

### FORMER RESIDENT OF CENTERVILLE DIES SUDDENLY

The many friends of Miss Gertrude Satterthwaite, 27, were shocked to hear of her passing away in San Jose on June 6, seven months after her mother's sudden death. Miss Satterthwaite also died suddenly of a heart ailment.

The deceased is survived only by her father, Dr. Abbott Satterthwaite, who was the Pacific Gas and Electric Company manager in Washington township in former years. She was a graduate of the Washington Union High school and had many friends in this valley. The Satterthwaites were residents of Centerville for many years and had kept in touch with their host of friends during their residence in San Jose.

Mr. and Mrs. Pete Luoni and family and Mr. and Mrs. C. Mascaroni and family, of Pittsburg, were guests of Mr. and Mrs. F. Ponti, Sunday.

## Personal Items

Mrs. Harold de Leon and daughter are spending a two weeks' vacation in the Santa Cruz mountains.

A number of local people attended the Pleasanton Holy Ghost celebration, Sunday.

J. J. Kirkish has returned from a business trip to San Francisco.

Mrs. Jean Lacombe and Lavon Moller are spending their vacation at Lakeport in Lake county.

Dr. and Mrs. W. L. McWhirter and a party of friends spent the week-end at Callistoga and the National Petrified Forest near there.

Mr. and Mrs. Patrick Maloney, of Los Angeles, visited Dr. Stanley McMillin, Monday. They are on their way to Vancouver, British Columbia.

Mr. and Mrs. Robert Francis, accompanied by Mr. and Mrs. Manuel Faga, of Newark, spent an enjoyable week-end in Monterey fishing. A large catch was reported.

Mr. and Mrs. Garrett Norris spent the week-end with their daughter in Alameda.

Mrs. George Lowery has returned from a trip made to Los Angeles.

Jack Lowery is visiting in Los Angeles during the summer.

A number of Centerville people attended St. John's festival in Newark, Sunday.

Dr. Fred Curtiss, of San Jose, was a visitor in Centerville, last Thursday.

Dr. Dubois Eaton, dentist in Centerville for many years, visited friends here, Friday.

Mr. and Mrs. Ralph Emerson spent the week-end at Paradise Park in their new cottage.

Mrs. George Coit has returned from a week's visit with her mother, Mrs. M. A. Browning, of Berkeley, last week.

### SECADA AND WELLS MARRIED IN MANSE

#### Beautiful Attendants and Setting Are Scene of Local Wedding

The manse of the Rev. Father Alfred Sousa was the scene of a beautiful wedding, which took place on June 19. Miss Beatrice Blanche Secada, of Centerville, and Frank T. Wells, of Fresno, were joined in wedlock amidst a beautiful floral setting and wax tapers.

Miss Secada had as her attendants, Miss Alice Inez Athyade, of Oakland, as maid of honor, Miss Mae Lorraine Perry, as bridesmaid, and Miss Priscilla Olivia Fernandes, also of Oakland, as flower girl. Roy A. Secada, was the best man.

The young bride was given into the bridegroom's keeping by her father, M. Secada, a well known resident of this district.

The bride was beautifully attired in a beige chiffon and chantly lace creation and wore a lace hat. She carried carnations and lilies of the valley.

Miss Mae Perry wore a coral chiffon dress and hat to match and carried carnations.

Miss Alice Athyade was attired in turquoise blue crepe and wore a pale pink hat. She carried pink carnations. Little Miss Fernandes was very sweet in ruffled taffeta of a beautiful rose shade.

The young couple left for an extended honeymoon with their destination kept as a secret. Upon their return, they will reside in Fresno, where Mr. Wells is a prominent business man.

Beatrice Secada is wished much happiness by her host of friends and relatives in this township. She is a graduate of the local schools and was a student of the Washington Union High school before her marriage. She is also a talented pianist.

### Mrs. Dusterberry Gives Dinner Party to Club

Mrs. Frank T. Dusterberry was hostess to the Centerville Card club at her home, Saturday evening. She served the sixteen guests a delicious dinner. Four tables of whist were played by those attending the party. First prizes were won by Mrs. William Eberly and Garrett Norris. Consolation prize went to Miss Elizabeth Dusterberry.

### Knights of Pythias To Have Banquet Tonight

Members of the local Knights of Pythias order are to be the hosts to the district deputy grand chancellor, of Berkeley lodge, when he visits here tonight. At this time the visiting officer will inspect the local work of the lodge.

A large attendance is expected, as following the inspection, a full course banquet dinner is to be served.

Miss Irma Clark spent Monday with her sister in Hayward.

Register printing the best.

### CANNERY OPENS SEASON TUESDAY WITH APRICOTS

F. E. Booth Cannery Company, of Centerville, again blew its steam whistle Tuesday morning for over 500 men and women to commence work. The apricot canning season was opened at that time. Although the working hours are short this week they will lengthen as the crop ripens. It is reported that apricots are very large this year and are excellent for canning purposes.

Following the apricot run, peaches, plums and tomatoes are to be canned, keeping the cannery open until the middle of November. During the rush season nearly 1,000 will be employed.

F. A. Bishop is the superintendent of the local plant, and Lester Kirk, the office manager.

## Personal Items

M. S. Nunes is working in Concord this week.

Dr. Stanley McMillan left yesterday for Los Angeles where he will stay a week.

Edward C. Hauck was a business visitor in Centerville last week.

Isabel Perry is attending the summer session at the San Jose State Teachers' College.

Ernest Pimentel, of the Bank of Italy staff, is ill at his home in Decoto.

Raymond Jolliff finished a term at an Oakland engineering school, Tuesday.

Miss Fern Garcia, of Niles, who was a graduate of Washington Union High school, has secured a position in San Jose.

Mrs. J. P. Rose and Mrs. J. A. Clark, of Centerville, motored to San Jose on Tuesday.

Word has been received of the safe arrival of Mr. and Mrs. Martin Francis in Europe. They enjoyed the trip over the Atlantic.

Mrs. Alice Oxford, sister of Mrs. B. O. Ray, has secured a position at Harold De Leon's sandwich shop in Centerville, while Mrs. Harold De Leon and daughter, Harriet, are on their vacation at Big Basin.

Manuel George has rented his service station to the Gilmore Gasoline Company.

The Farm Home Department of the Alameda County Farm Bureau met with Mrs. M. S. Bettencourt, of Centerville, last Wednesday. The topic was furniture covers. Home demonstration agent, Mrs. Holeman, of Hayward, was in charge. Refreshments were served and the meeting enjoyed by all.

Mr. and Mrs. Wilbert Bettencourt, of Centerville, are the proud parents of a baby girl.

E. E. Booth Cannery, of Centerville, started its apricot season on Tuesday.

### HOME ON SANTOS ROAD BURNED TO GROUND

#### Residents To Build New Cottage On Site In Future

An eight-room house belonging to Mrs. Maria Pine Silva on the Santos road, was burned to the ground last Saturday. The Centerville Fire Department responded to the call, but was too late to save the structure.

The conflagration was caused by flames starting in a kerosene stove in the kitchen. Mrs. Silva hurried to get a blanket to smother it, but was too late in her effort to prevent it from enveloping the room in flames.

Some of the furniture and clothes were saved by neighbor women but most everything else was burned to ashes.

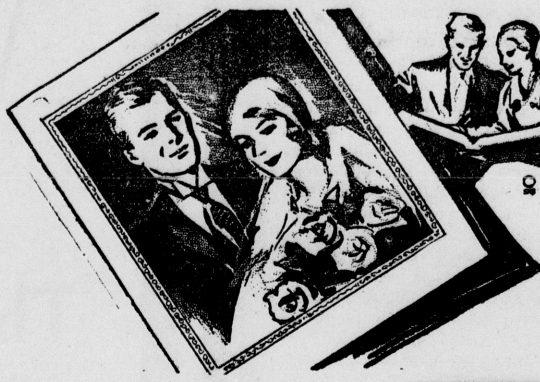

The home was insured, so that Mrs. Silva and her daughter, Mrs. Palmyra Lemos, will build a new cottage in the near future. They are now temporarily living in the Ellsworth apartments.

### Chamber of Commerce Closes During Summer

The last meeting for the summer of the Centerville Chamber of Commerce was held in the El Lido restaurant, last Thursday noon. Luncheon meetings are to be resumed in the fall.

As there was no speaker present at the meeting, it was turned over to a general discussion of local improvements.

President Frank T. Dusterberry congratulated the club for having such large attendances at all the meetings of the year.

### CHAS. GALE WILL BE UNOPPOSED IN JUSTICE RACE

Judge P. C. Quinn Will Not Seek Re-Election This Year.

Charles A. Gale, well known Pleasanton attorney, will probably be the next justice of the peace in Pleasanton township. This fact became known today, on the eve of the last day for filing for the office, as no other candidate had made known his intention to make the race.

The last day for filing was Saturday, June 21.

Gale will succeed Judge P. C. Quinn, who has been justice of the peace in Pleasanton township for many years. Judge Quinn, because of advanced age, decided not to seek election, and to retire from public life.

For a time it appeared as if there would be a five or six cornered fight for the office when it was learned that Judge Quinn would not be in the race this year. It is definitely known that four persons here considered filing for the office, but considerable discussion it has apparently simmered down to the point where Gale is to be unopposed.

In announcing his candidacy this week, Gale stated that he thought it the duty of every citizen of Pleasanton to do their bit of civic work and that he was seeking the justice of the peace position in an effort to do his part in this respect.

Judge Quinn thanked the residents of the township for the many favors shown him and announced that he would lend his support to Gale in case there should be any other contestants.

### WESTERNERS PLAN MOTOR CAMPING TRIPS IN SUMMER

Camping and fishing in the west offers a combination of summer vacation pleasures in favor of which, too much cannot be said, and from observations in the Western Auto Supply Company's camp goods department, it would seem that the entire western population is preparing to go motor camping.

"Without a doubt more camping vacation trips have been ruined through lack of proper equipment and inexperience than any other causes," states the Hayward manager of the Western Auto Supply Company. "Trips that were intended to bring rest and recreation, brought hard work and discomfort and all due to lack of proper preparation.

"The vacationist who gets the greatest amount of enjoyment out of his trip is the one who takes the least amount of equipment yet has everything needed for a successful trip. Go light, carry only the equipment needed and hard work and worry will be eliminated. Have a definite location in the car for each item of equipment and return it to its place each time camp is broken.

"In addition to the savings offered in timely accessories and touring supplies, an inner tube is given free of charge with each Western Giant or Wear-well sold during the event."

#### BRIDGE TEA

A game of contract bridge was enjoyed at the home of Mrs. H. R. Hunt, Friday afternoon. Those present were Mrs. O. E. Walpert, Mrs. P. H. Moore, Mrs. W. V. Eberly and Mrs. R. H. Hunt. Tea was served following the game.

### M. S. GRADUATE IS LAID TO REST IN LOCAL CEMETERY

Young Woman Dies At Highland Hospital Sunday

The sad news of the death of Mrs. Frank Azeveda at Highland Hospital, Sunday morning, has shocked her large host of friends in Washington township. She died of an illness of short duration while there.

Funeral services were conducted at the young lady's home, Wednesday morning. Burial was made at the Odd Fellows' cemetery in Irvington. Many local people attended the funeral.

Mrs. Azeveda was formerly Miss Dorothy Willis, of Mission San Jose. She was nearly nineteen at the time of her death. She is survived by her husband, rather and mother and a number of sisters and brothers.

Mrs. Azeveda was graduated from Washington Union High school in June, 1929, and was married shortly afterwards. While in high school she was noted for her leadership in scholarship, sports and other scholastic activities. She was girl's athletic manager, vice-president of the senior class, Girl's "W" club member, a character in this enoi pa a e h ynsi acter in the senior play, and held other positions of rank. As one of the most popular girls of her class her passing is mourned by her many school mates.

### NEW TELEPHONE DIRECTORIES ARE DELIVERED HERE

According to an announcement made today by Miss Margaret Lynch, manager for the Pacific Telephone and Telegraph Company here, the delivery of the new issue of the telephone directory has been completed. Manager Lynch emphasizes the necessity of destroying the old directories upon receipt of the new ones.

"It is our desire that telephone users receive the maximum of service, and if they destroy the old book they assist us in rendering this service," Miss Lynch said. "Telephone directories are issued semi-annually in order that customers may be furnished with all the new numbers and be advised of all changed numbers. The old book contains numbers that have been discontinued or changed and its use will result in confusion.

"If anyone fails to receive a new directory, he will confer a favor on this office in advising us by telephone."

## RICHFIELD WINS AGAIN — 3 MAJOR RACES OF THE YEAR

THREE smashing Richfield victories in a row—the 500-mile Indianapolis Classic on May 30th! The 100-mile Championship Dirt Track Race at Detroit on June 9th! The 200-mile Flag Day Race at Altoona on June 14th!

**At Indianapolis**—Billy Arnold was 1st; "Shorty" Cantlon, 2nd; Louis Schneider, 3rd; Louis Meyer, 4th; Bill Cummings, 5th. And Richfield Gasoline was in all five cars—the 8th annual Richfield triumph in the World's Greatest Racing Classic!

**At Detroit**—Wilbur Shaw was the winner with Russell Snowberger, 2nd and Bill Cummings, 3rd. Again Richfield Gasoline was in all the winning cars!

**At Altoona**—Billy Arnold was 1st; Deacon Litz, 2nd; Frank Farmer, 3rd. And for the 3rd consecutive time—in 3 major races of the year—Richfield was in every winning car!

These daring drivers—with life and limb, fame and fortune at stake—pin their faith to Richfield! They know from experience that it will not fail them—that it will deliver the extra power and speed necessary in emergencies—that it will do its part to carry them over the grueling stretch to victory.

Richfield—in your own car—will give you added power and speed when you need it—and extra mileage. Why not take the choice of the champions—Richfield! You can get it at any station with the blue and gold shield.

RICHLUBE MOTOR OIL, too, played an important part in these great racing events—winning 1st and 3rd places at Indianapolis and 1st and 2nd places at Altoona.

Richfield has won more speedway victories and world's records than all other gasolines combined.

## Decoto Department

**MAN LEAPS FROM CAR**

An automobile driven by John Kumer hit the caboose of a passing freight train at a Decoto crossing on June 21. George Tenajh, who was accompanying Kumer, jumped out of the car when he saw it was going to hit the train. He received severe lacerations and a broken left hand. He was treated at Grau's Emergency hospital in Niles. Both men are employed at the Zwissig dairy here.

**COMMUNITY CHURCH**

A very interesting topic was given by Miss Helga Johnson on "How Jesus made leaders out of His Disciples." Reverend Bostic, of Ashland, gave the sermon of the evening at the Community church, Sunday.

Leslie Brewer and Anthony Goulet left Monday for Diamond Scout Camp with their scoutmaster, Peter Decoto. These boys were the lucky ones as they were chosen from a group of sixteen boys. Leslie is a sophomore at the Washington Union High school and Anthony is a pupil of the Decoto Grammar school. They will stay two weeks, returning July 6.

Leonard Brown is spending his vacation at Long Vale, with Mr. and Mrs. Walter Walker, former residents of Decoto.

Mr. and Mrs. Wm. Hurst and little son, Billie, spent Sunday with friends in Sonora.

Miss Marie Swanson, of Oakland, spent the past week with her parents, Mr. and Mrs. P. A. Swanson, of Decoto.

Mr. and Mrs. Roland Bendel entertained as dinner guests a group of friends with whom they plan to spend two weeks in July in Yosemite Valley, Sunday.

### Birthday Dinner Given In George Home, Here

A birthday dinner was given at the home of Mr. and Mrs. Tony George by Mrs. Mary F. Rose in honor of her husband, Joe Rose, and her son, Tony George, Tuesday evening. The two men received many useful presents.

Those present at this enjoyable dinner party were Mr. and Mrs. Joe Rose of Oakland, Mr. and Mrs. Tony George, Mr. and Mrs. Frank George, Clayton George of Niles, Mr. and Mrs. Edward George of Hayward, Mrs. Mary Rose, Miss Margaret King and Clarence Rose of San Leandro.

### High School Board Has Called Meeting Tonight

Washington Union High School Board of Trustees will meet tonight to discuss the purchase of a new fifty passenger bus to transport the increase of students.

At a recent meeting it was voted to prohibit grammar school pupils from playing in the high school band. As it is now, many of the pupils who played with the band in the recent state contest will enter high school in the fall, John E. Kimber said that he expects the band to have about eighty members next year.

### Murrays Take Vacation Trip to the Yellowstone

Mr. and Mrs. Martin Murray are spending a two weeks' vacation motoring to Los Angeles and Yellowstone National Park. They expect to take in all of the scenic trips on the way.

Mrs. Marston Dassel is taking Mrs. Murray's place in the Niles branch library, as librarian.

Mr. and Mrs. J. P. Porier, of San Francisco, visited with the L. A. Vieux family, Sunday.

### BRIDGE-LUNCHEON GIVEN IN HONOR OF ROBIN TRASK

The engagement of Miss Robin Trask, of Decoto, to Charles Hatch, of Niles, was announced by Mrs. Fred Trask at a bridge luncheon given at her home, last Thursday afternoon.

Following the excellent luncheon, five tables of bridge were enjoyed by the twenty guests. High score prize was awarded to Miss Mildred Wilder, second to Mrs. Ernest Martin, and consolation to Mrs. Robert Fisher.

It is reported that the young couple are to be married in November. Miss Trask was graduated from Washington Union High school this year. Mr. Hatch is a new-comer to this community, and is employed by the Krafille company, of Fabrico.

Judge W. T. Davis, of Pleasanton, was a business visitor in Niles this week.

### DIRIGIBLE SITE NEWSREEL SHOWN WITH LECTURE

A specially released film of the proposed dirigible site was shown in the Niles Theater, last night. This picture was brought here by the efforts of Mrs. J. R. Whipple and Otto Hirsch who have been leaders in the movement to bring the dirigible base to Sunnyvale.

A. Paderson, chairman of the dirigible base committee of the consolidated chambers of commerce of Santa Clara county, gave a lecture along with the showing of the picture. Wendell Thomas, president of the above organization, also spoke.

The newsreel showing the field and possibilities of the base is in great demand and has only been shown at Washington, D. C., during the present hearing, at San Francisco and privately.

### SPECIAL C. of C. MEETING.

A special meeting of the Decoto Chamber of Commerce has been called for Thursday, June 26th, for the purpose of discussing the closing of that portion of J. street between Railroad avenue and H streets.

### GRAPE GROWER SELL 1930 CROP UNDER RELIEF PLAN

Under the direction of Alfred Haentze, Santa Clara valley vineyardist, a successful campaign is being made throughout the section of Mission San Jose and Warm Springs to sign up the bulk of the grape crop under the relief plan formulated by the federal farm board.

Already nearly sixty per cent of the 10,000 acres of grapes in Alameda county has been signed up and the campaign will be conducted for two weeks more. It is being conducted by volunteer workers all of whom are grape producers who realize the confusion which will result from an unorganized effort to market the heavy 1930 crop of grapes. Other cooperative organizations have approved the marketing plan.

Southern California Telephone Company started work on conduit and cable laying program in vicinity of Graham and Watts, involving expenditure of more than \$78,000.

# ALAMEDA COUNTY TELLS THE NATION— SPEEDS ITS GLORIOUS DESTINY

NATURE has been kind to Alameda County and mankind has been generous in developing its wealth and resources. It has every facility for industrial success, every requirement for individual happiness. The plain truth, fairly told, has induced many an industrial executive to locate his plant here and brought many a settler to make his home in this favored region.

Within the past few months more than fifteen million persons have been told this wonderful but truthful story of Alameda County's greatness. Advertisements appearing in metropolitan newspapers of the east and middle-west have told why industry prospers, agriculture thrives and every citizen enjoys life in Alameda County. Attention has been centered on this region as never before. Our own people have been made more civic-minded; varied groups have been drawn into an united and effective effort to advance Alameda County's interests. Hundreds of inquiries have been received as a result of this campaign to bring industry here; hundreds of persons have made inquiry regarding settlement on Alameda County farm lands.

When these inquiries have been followed up by the various Chambers of Commerce of the county, the Alameda County Development Commission and others working for community progress, they will result in a large increase in the number of industrial plants whose physical investment enlarges Alameda County tax receipts and whose payrolls increase Alameda County prosperity. This work takes time. The advertising done this year will be working for Alameda County two years, three years, five years after its publication, because it is founded on solid facts—facts of which every Alameda County citizen may well be proud, facts for which he can be thankful, since they mean an inevitably-splendid future for this community.

**HELP SPEED YOUR COMMUNITY'S GLORIOUS DESTINY**

The advertisements appearing at the left were published in ten newspapers, covering territory from New York City west to Kansas City, to build up your community. They are your advertising, paid for with your money, through appropriation by the Alameda County Board of Supervisors from the county advertising fund. Proofs of these advertisements and copies of attractive booklets describing the advantages of living and working in Alameda County, are available from your chamber of commerce. Mail them to your eastern friends.

## COLORS LATEST FAD FOR YOUR NEW TELEPHONE

Telephones in colors are now available, F. E. Humpert manager for the Pacific Telephone and Telegraph Company, announced today.

Telephones of the hand-set type, with receiver and transmitter in one-piece, may be had in ivory, French gray, old brass, statuary bronze and oxidized silver. Telephone bell boxes may be finished to match the hand sets. Colored cords of the right shades complete the ensemble.

"The trend toward color is seen in many commonly used products," Humpert said, in commenting on the innovation. "The use of many hues in interior decoration and furnishing, coupled with the increasing use of telephones in various rooms of the home, made it desirable that the popular hand set be finished so as to blend with practically every scheme of decoration."

**TOURNAMENT WINNER**  
Mrs. E. L. Dow Jr., of Oakland was awarded the Fry silver loving cup at the women's tournament at the Alameda municipal golf links for taking first flight. She was formerly Miss Mildred Van Dervoort, of Irvington, who taught school there before her marriage to Dr. Dow.

## PHENOMINAL HEN LAYS DOZENS OF EGGS DAILY

Believe it or not? Sam Paske, witz, manager of the Pleasanton MacMarr store, has been marketing several dozen eggs daily at Pleasanton stores. Nothing very strange about that, but the fact is that Mr. Paske owns one lonely white Leghorn pullet. It has been rumored that B. W. Bennett, town marshal, the next door neighbor on First street, has a whole chicken yard of laying hens. Who can tell from where the eggs came? Other people of this neighborhood, take heed and watch your chickens!

The truth of the story is that Paske has been caring for the property of Bennett, while the marshal was away on his vacation. The town people have a good joke on the egg seller now.

### Y. L. I. MEETING.

De Guadalupe Institute No. 74, Y. L. I., held an entertaining meeting last Thursday. A new candidate Miss Ella Sullivan, was initiated. The committees for the coming year were appointed by President Marguerite Crane.

After the meeting a delicious supper was served.

## FIRE DEPARTMENT HAS ELECTION OF NEW OFFICERS

Pleasanton Fire Department held a meeting at the firehouse, Tuesday evening to elect new officers. William H. Graham is the fire chief, and Robert Cope, assistant chief.

Andrew Jorgenson was elected captain of the patrol and Richard Rodriguez, assistant.

C. Latham is the foreman of the hose company, and the assistant foremen are Joe White and J. J. Amaral. Ray Martin is in charge of the chemical department.

## Miner Injured When Car Overturns on Him

George W. Bimms, a miner of the Hetch Hetchy project, received lacerations of the face and head when a car overturned on him. His right shoulder and arm were crushed. He is unable to move them now.

He is now at Three Link Hospital slowly recovering. The face wounds have healed, but the injured shoulder is in a painful condition.

## LIONS CLUB TO ENTER IN RODEO SHOW

Pleasanton to Parade All Horse Drawn Buggies and Carriages

### CHAIRMEN NAMED

Representatives Attended Installation and County Meeting.

The weekly meeting of the Lions Club of Pleasanton held in Ratti's restaurant, last Tuesday evening, was devoted to Pleasanton's share in the Livermore rodeo parade of the Fourth of July. Jerome Arendt presided over the meeting which was noted for much discussion on the matter by all the members who attended.

This project was placed before the local club by a committee of Livermore Lions last week. It was announced that no motor-driven vehicle could be used in the parade, only those drawn by animals being permitted to take part. Any one in Pleasanton who has a rick, buggy, wagon, or ancient carriage of any kind is asked to inform the members of the Lions club about it so that they may use such equipment in Pleasanton's part of the parade and celebration. Last year's float from Pleasanton took high place and it is planned to repeat it again in 1930.

Two committee chairmen were appointed by the president, namely: Frank Garatti, of Pleasanton, and George Roraback, of Sunol. They are cooperating with the other members and the residents of this district to make the show a huge success.

### County Council

Many of the Lions from Pleasanton attended the county council meeting held in Berkeley, last Thursday night. Business of importance to all of the organization members was transacted at the meeting which was well attended.

Several from Pleasanton also attended the installation of officers of the Hayward Lions club, last Wednesday evening. The meeting was held in the Brookshire Country Club where a remarkably fine dinner was served to all of the hungry lions.

### FORMER RESIDENT INJURED

E. B. Terrill, a former resident of Pleasanton, was seriously injured while he was employed at the Bear River Camp of the Pacific Gas & Electric company. A 700-pound cement form fell on his knee, causing him to roll down a hill 25 feet. He is now recuperating at his home at Richmond.

When the starter pinion is stuck so that pressing the starter pedal does not bring any response place the car in high gear (ignition switch off) and rock backward. Do not exert severe pressure forward for to do so may cause it to lock tighter. If it does not release with a reasonable amount of rocking it is necessary to loosen the bolts that hold the starter housing to the motor.

## PRICE SLASHING WAR CONDUCTED BY GAS DEALERS

Prices for gasoline are continuing to drop! This week gas was selling for fourteen and fifteen cents in this township. The war was waged between the local dealers and not between the large companies, as it was last week.

Retail prices for the standard brands of gasoline was still seventeen cents, Monday, but most of the township dealers slashed this price by two or three cents. Ethyl gasoline sold for three cents higher than the other kind.

Motorists are delighted with the gas war, and are taking advantage of the prices by filling their gas tanks and other containers. Many are induced to take long week end trips because of the low cost of fuel.

## ELLIS PARTY IS AT HOME AFTER 3 MONTHS' JOURNEY

Mr. and Mrs. P. A. Ellis, accompanied by their niece, Miss Blanche Sperbeck, have returned to Niles, after a three month's motor trip of the United States and Canada. The party traveled 10,000 miles during the tour, which was a most enjoyable one.

Among the places where they stopped were Des Moines, Detroit, Chicago, Toronto, New York, Brooklyn, Washington, D. C., Philadelphia, Mt. Vernon, Salt Lake City and Denver.

An exciting occurrence happened near LaPlatte, where a dam had broken loose, marooning 150 automobiles. Ellis was fortunate enough to escape from this predicament, but was forced to detour to Denver, plowing along in one foot of mud most of the distance.

## GOLD STAR MOTHER RETURNS

Word received from Mrs. M. N. Crane states that she is sailing home this week, and will be in New York, Saturday. She expects to be at her home in Niles by July 2. She visited the battlefields of France as the guest of the United States government. She was a member of the Gold Star Mother pilgrimage.

## IN LIVERMORE EAGLES TO GIVE PRE-RODEO DANCE

Fraternal Order of Eagles No. 609 will give its twenty-sixth annual dance in Sweeney's ball room at Livermore, Saturday night. The dancing is to be continued until 2 a. m.

Perpetual dancing is a feature of the evening, as music is to be furnished by two orchestras continuously. The Paramount Band of Oakland and Dan O'Neill's six-piece band will play the latest numbers. Both bands have gained fine reputations for their excellent brand of music.

The committee in charge of arrangements has announced that anyone may come in his cowboy outfit if he so desires. As this will be a pre-rodeo dance this costume will be fitting for the affair.
